“Who do you say I am?” (Mark 8:29)

2019-2020 OPENING DAY OF SCHOOL
Friday, AUGUST 23, 2019.

Hello Beckman Parent and Students!

I hope you are enjoying your summer. We have been working to get ready for another great school year and as we have worked to get things ready, I wanted to pass along some information to you on some new things and changes we will have with the 2019-2020 school year.

New Staff

We welcome the following new faculty and staff members who will be joining us this year at Beckman Catholic.

Ms. Hannah Dirks

Ms. Dirks will be our 8-12 Language Arts instructor. She will be teaching 8th Grade Writing, American Literature, Junior Composition, Senior Composition, Written Communications, Communications, and AP Language. Ms. Dirks is a graduate of Loras College and is excited to be joining the Beckman faculty.

Mrs. Teresa Slade

Mrs. Slade is our long-term substitute for Mrs. Smith while she is out on maternity leave for the 1st quarter. Mrs. Slade most recently was the director of vocal music at Hempstead High School in Dubuque and has also been involved in the Archdiocesan Worship Commission. We are happy to have her with us to share her talents and work with our students.

Mrs. Emily Snyder

Mrs. Snyder will be joining us as the food service director. This will be a shared position between Beckman and Xavier elementary, as Mrs. Snyder will split her time between both schools.

Mrs. Vicki Stelken

Mrs. Stelken will be returning to Beckman this fall to work in the cafeteria. She has previously worked at Beckman in the office area. We welcome her back in this new role.

Mr. David Young

Mr. Young is our new evening custodian. Mr. Young comes to us from Minnesota where he previously worked in a number of settings. He too is excited to be joining the Beckman community.

Blazer Time

With our extended days last year, we implemented an activity period at the end of the day as a way to provide additional support to students needing help from teachers. We saw a significant improvement overall in student grades during this time. As a result, we will be incorporating a similar concept into our regular school day.

Blazer Time will meet Monday, Tuesday, Wednesday, and Friday from 2:43-3:05. Students will again be assigned to a teacher and have the opportunity to request to go to another teacher for help. Teachers will also be able to request a student to their room if they know that student is struggling in his or her class.

Some initial guidelines regarding Blazer Time include:

- We will plan end-of-day assemblies for this time when possible.
- Club meetings will occur during Blazer Time.
- All students will need to attend Blazer Time unless they are on 8th period work release. We will **not** be granting work releases for Blazer Time as we did last year during the activity period.
- Athletic practices will not begin until after the end of the school day at 3:05.

To make this work without extending the school day, we have reduced the amount of passing time between classes from 4 to 3 minutes. We monitored passing time last year and noticed that three minutes is adequate for students to get from one class to the next. The purposes of this time are to allow students the ability to receive additional assistance if needed, reduce the amount of homework students take home, reduce the amount of class time our early bus students miss, and allow for student group meeting time during the school day. If you have any questions regarding Blazer Time please feel free to contact me.

Expanded College Credit Courses

For the 2019-2020 school year, we have added additional courses for dual/college credit. They include:

- Animal Science through NICC
- Theology 12 (Semesters 1 and 2) through St. Louis University

For the Theology 12 courses through St. Louis University credit is optional, meaning student can choose whether or not to take those required courses for college credit. The cost of a SLU 3 credit course is \$185, which is higher than the \$150 NICC rate. Students in these courses will receive more information on the first week of class on how to register and enroll for the SLU credit options.

Dress Code Changes

We also made some minor changes to the dress code regarding hair colors and hairstyles.

Unnatural hair colors and extreme hair styles are not allowed. Please keep this in mind particularly if you are looking to dye hair, as streaks of color that are non-natural hair colors will be considered out of compliance.

On behalf of the faculty, staff, and administration we thank you for being part of Beckman Catholic and allowing us the opportunity to work with your families. We look forward to another great year! See you soon!

August Curriculum Report

Fall Driver's Education

NICC has offered to provide a fall driver's ed. class from October 14 to November 6. The class will run from 3:15 to 5:15 pm. This course requires a minimum number to ensure the offering. This is eligible to all students who possess or will possess a permit by the first day of class. If you have a student interested in taking fall driver's ed., please submit a registration form to the office by October 1.

New Opportunity for College Credit:

Students who enroll in Animal Science will receive college credit through NICC after successful completion of the course (C- or higher). Students will receive credit for completion of AGS 114 and AGS 101 on their college transcripts. As always, Beckman recommends that students communicate with prospective colleges about the transferability of college credit they earn while enrolled in high school. Additionally, college course fees apply for students enrolled in this class.

Study Table Expansion: We will continue our study table intervention for all students on Wednesdays from 3:15 to 4:00. Participation will be required for students in grades seven through nine who are at risk of failing a class due to chronic homework incompleteness or poor classroom performance. Students attending study table will have the freedom to visit teachers, complete makeup work, or complete research during this structured time.

Student Government News

Student government held a can drive to raise money for its projects this year. Thanks to all who contributed. Homecoming will be held from September 15 to September 21 this year.

Information on themes and events will be forthcoming.

**New this school year, the students will have the option of a peanut butter or deli sandwich as an alternative to the main hot entree. We will vary ham or turkey deli sandwiches. No uncrustables will be served as they do not follow the meal pattern guidelines. On Tuesdays and Thursdays, we will offer a type of pizza as an alternative to the hot entree as well. (Varies between Pizza, Pizza Crunchers, or French Bread Pizza)

**We are expanding the fruit options that come with your meal as well. Each day we will have a fresh fruit option and a second fruit available as well. The students can choose one or have both fruit choices.

**The salad bar will be available daily as well as a cooked vegetable option many days.

**Please make sure you talk to your student about the choices. No student will be allowed to get anything from the a la carte menu if they have a negative account balance. If you would like to put a cap on your students' account so they don't purchase more than what you would like....you are able to do that as well. Please go to the Beckman website and under the parent tab, pick School Dining System in the drop down box and sign into your account. Under settings, you can make any changes you would like. FYI - A la carte items are in addition to the regular hot lunch meal.

Free and Reduced Price Meals- Free & reduced meal programs, as supported by the federal and state government, are available for those who qualify. Families qualify based on current financial status and may apply at any time during the school year as their financial situation changes; however, applications must be completed annually after July 1st of each year for the next school year. All information is confidential. The Archdiocese of Dubuque awards tuition assistance grants to our school based on the number of free and reduced students, so all families are encouraged to apply for this program. Families that received free or reduced meals during the 18-19 school year continue their status through October 4, 2019. Their status will change once their 19-20 application is processed. If no application is received by October 4, 2019, their status changes to full price meals.

A IMPORTANT NOTE ON ATTENDANCE-

With a new school year about to begin, we ask for parents to help with attendance. If you would do the following two things it would help our attendance office run more smoothly.

1. **When your child will be late to school or not attending, please call or email the office by 8:15 a.m. and inform the secretary.**

2. **When your child arrives to school late, or returns from an absence, send along a note for our attendance files.**

Parents, to avoid problems with morning tardiness, please make sure your child arrives to school by 8:00 a.m. Please remember, just because you write your student a note, it does NOT mean that the tardy will be EXCUSED! Our school day begins at 8:05 a.m. and we expect our students to be in class at that time.

Daily eligibility: Parents, please keep in mind that for your student to be eligible to participate in afterschool activities (practices, rehearsals, games, performances, etc.) that student MUST be in attendance for the second half of the school day (periods 5 - 8). Exceptions to this policy must be cleared with the administration ahead of time.

FORMS FOR ATHLETES

Form for Interscholastic Athletic Competition – This form is online.

Physicals – Please bring a copy of your physical to the athletic office when it is completed. You can download a form off of the Beckman website under the Sports Info & Schedules tab. **PARENTS PLEASE SIGN THE BACK OF THE PHYSICAL FORM before you hand it in.**

Heads Up Concussion Form – This form is part of the Powerschool registration.

ACTIVITY FEES

You will need to pay an activity fee for the sports that your student athlete will be involved in. The activity fee is \$50 per sport for high school (\$10 of this fee goes to pay for the weight lifting program. Also, an activity fee will NOT be charged for a high school athletes fourth sport.) and \$20 per sport for junior high. You can pay for only fall sports at this time or you can pay the activity fees for all the sports your student will be involved in. Just check all the sports you want to pay on the form at registration.

AWARDS

Anyone involved in spring and summer sports that have not received their awards should pick up certificates and any other letters, chevrons, etc. they earned from the athletic table at registration.

ADMISSION/CONCESSION STAND WORK SCHEDULE

Please sign up to take admission or work concession stand at fall athletic events either at registration or online. We will send out emails for the sign-ups before each season so please make sure we have a current email for you that you will be checking often.

Just a reminder that we expect all parents to help with the admission or concession stand if you have students out for activities. If you have one student in 3 activities then you should be volunteering three times. It works out best if you can help at the activity that they are in (eg. Out for football, work a football event, out for basketball work a basketball event, out for soccer work a soccer event.) however, just so you help 3 times that's what counts. If everyone helps out it really makes things easier.

We would prefer if parents of junior high students sign-up for the junior high events first and when those get filled then sign up for the high school events.

With that being said, we will host three youth basketball tournaments as well as the Booster Club basketball tournament that we will assign every athletic team a session to work. We will need at least one parent and 3 students to work at each time slot. This is a great opportunity to make money for the athletic department and will be used for things that will benefit all students.

PARENT DRIVERS

In order to save money the last couple of years we have had parent drivers for junior high volleyball, basketball & wrestling. We are asking parents of these athletes to again volunteer to drive to the games. There is a registration for parents to fill out online. Here is the link <https://dubuque.cmgconnect.org/>

PADLOCKS

Just a reminder that we do have new padlocks for sale for \$10.00 and used ones for \$5.00 . We prefer that you use the school locks since we do have all the combinations on record in the office. So if you have an old lock at home from a sibling we may have the combination here at school. Just bring it in and we can look up the combination. If you use your own lock and the student forgets the combination then we will have to cut off the lock.

Health Office

I would like to extend a warm welcome to all students and their parents. I am looking forward to working with you and your children at Beckman Catholic High School during the 2019-2020 school year. To ensure your child's health and safety I would like to share a few items with you.

POWER SCHOOLREGISTRATION: Please read all the health questions in Power School carefully. Too many times parents are responding yes to their child having asthma, allergies and health concerns. Delete any old information and add medications child may be taking at home. This information is used for when students are on field trips.

HEALTH CONCERNS: Please inform your school nurse of any special health needs (severe allergies, asthma, diabetes, seizures) to complete a plan of care. Please notify the school nurse of any changes in your child's health care plan throughout the year.

MEDICATIONS: For any prescription medications, you will need to complete the *Request for Administration of Medication at School* form. The form must be completed by your physician and signed by parent. All the medication must be in original container. No medications will be administered brought to school in plastic bags.

IMMUNIZATIONS: Seventh grade immunization requirement includes a one-time dose of tetanus, diphtheria, acellular pertussis (Tdap) vaccine and one dose of meningococcal conjugate vaccine (A,C,W,Y). The Iowa immunization law states that a student **will not** be allowed to start school without the required immunizations

Twelfth grade are to have two doses of meningococcal conjugate vaccine (A,C,W,Y); or 1 dose if one dose was previously received when the student was sixteen years of age or older. The Iowa immunization law states that a student **will not** be allowed to start school without the required immunizations

DENTAL SCREENING REQUIREMENT: All children enrolled in ninth grade are required to have a dental screening. Dental screening form can be obtained online or at dentist office. This form must be completed by 12-31-19.

Please feel free to contact the nurse with any questions at 875-7188. Thank you

2019-2020 SCHOOL YEAR MOTTO:

“Who do you say I am?” (Mark 8:29)

A school year is full of questions and answers—inside and outside of the classroom. Our motto for this year is probably the most important question ever asked: “Who do you say that I am?” Jesus posed it to the apostles and now he is asking us. Our answer to this question quite literally has eternal ramifications. How do you respond?
