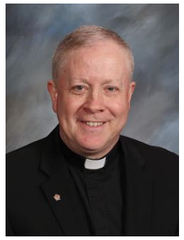
A Message from Our Leaders



FROM THE EXECUTIVE COORDINATOR

Growing up, report cards were a big deal to me. I put forth a lot of energy and hard work to garner good grades. Thankfully, I had many good teachers and I wanted to please them and my parents.

What we offer here is a report card of sorts for Beckman Catholic. Faculty, staff, administrators, students, volunteers, boards and clubs come together to do our best to forward the mission of Christ and his kingdom at our beloved school and beyond. Hopefully, our efforts are pleasing to you and you will choose to partner with us again as cheerful givers who know that when we make sacrifices, our generosity returns to us many times over. Be assured that your offerings are deeply appreciated and applied in a manner that represents sound stewardship. You are lifted up in prayer each week as we celebrate Mass and recall our kind benefactors.

We strive for transparency to maintain your trust. I hope that you will grant us "high marks" as we endeavor to form young people in ways of holiness and truth. Please remember us in your daily prayers as we work together to blaze a trail to the pearly gates of heaven.

In Christ,

Rev Dennis Quint

Very Rev. Dennis J. Quint
Pastoral Coordinator

FROM THE PRINCIPAL

Greetings from Beckman Catholic! My name is Marcel Kielkucki and I am the new principal at Beckman Catholic. I have thoroughly enjoyed working with our staff and students and getting to know our families and the greater Beckman Catholic community during these first few months in this new role.

My wife, Sarah, and I currently live in Manchester with our two children, Gabrielle and Joseph. Gabi is in her third year at Beckman, having started here in 7th grade, and Joe just started at Beckman this fall as a 7th grader. When we moved to Manchester in 2005, we were looking for a community closer to Cedar Rapids—where my wife was working—and that also had Catholic education nearby. We sent Gabi and Joe to St. Mary's in Manchester and worked with Mr. Meade as they finished at St. Mary's on arranging transportation for Gabi to attend Beckman as it was our intention to continue their studies at a Catholic high school. When the principal's position opened with Mr. Meade's retirement, an opportunity emerged for me to join Beckman in a greater capacity and my experiences as the parent of two students helped me to know that it was an opportunity I could not pass up.

Both Sarah and I were fortunate to have received Catholic education for the majority of our schooling. I was able to attend Catholic elementary, high school and college. I attribute much of the success I have had so far in my professional career to the strong foundation that was formed in my Catholic school experience. I am pleased to be able to join the Beckman Catholic community in this new role and to build upon the good work that has been happening and continue to help students to gain the tools to experience success in this life and the next.

This report highlights one of the assets of Beckman Catholic—a strong tradition of financial support from friends, parents, parish, and alumni. We want to take this opportunity to acknowledge and show our gratefulness for the generosity so many of you demonstrate through your gifts. It's your support that allows Beckman Catholic to continue to provide Catholic education to students in our communities. As the cost of keeping a quality Catholic school increases we are blessed with so many who contribute to help others have the opportunity for a Catholic education.

This past year, Beckman Catholic had a milestone as we officially chartered our own FFA chapter. As a motto, the FFA students this year chose "keep a tradition, start a legacy." It is my goal to fulfill that motto as well as I work in collaboration with our faculty and staff. Your contributions also help us to make that motto a reality as you help us to build on our strong tradition of Catholic education and your gifts have the potential to leave a legacy for years to come.

Please remember that God so loved the world that he gave his Son for us. We will continue to keep you and all the friends of Beckman Catholic in our prayers until then. Thank you.

Sincerely,

Marcel J. Kielkucki

Staff & Student Perspective

Mackenzie Atwater, *School Counselor*
Mark Atwater, *Physical Education*

Coming to Beckman Catholic High School was a decision we are forever thankful we made. Growing up in Manchester, Iowa, I was familiar with Dyersville and all the good that came with it. When the Beckman jobs came to be, the first thing that came to my mind was I knew Dyersville had a supportive and loyal community. Coming into a Catholic school, Mark and I both knew the involvement from the community would be nothing short of amazing. The Dyersville community is willing to do anything to see Beckman Catholic succeed. We were welcomed into the town and school immediately by both community members and colleagues and we feel so grateful for this. Beckman is a place we are proud to represent and a place we are excited to be a part of. Mark and I feel honored to work at Beckman Catholic and we pray we can serve the Lord and our students for years and years to come.

Beckman Catholic has left a lasting imprint on my life. I have grown in my faith, gained knowledge, and made lifelong friendships. There are endless opportunities for me to grow closer to Christ through weekly Masses, adoration, and daily prayer. I love that we are able to start every class period with prayer and share our faith with each other. The wide variety of classes offered allow me to try and learn new things. They developed my love for science and agriculture that blossomed into opportunities to travel the country with FFA and Science Research. Beckman Catholic has given me a support system that is always there to help. Simply, nothing compares to the faith-centered education offered at Beckman Catholic.

A depiction of the mission of Beckman Catholic: lifelong learning, personal growth and spiritual development rooted in Catholic teachings.

Artist, Austin Glendenning
Bronze Mural

The group of students shown in the foreground are guided onward by Christ, along what is observed to be the righteous path toward understanding. Beckman Catholic is showcased along their route of devotion that continues on, such as the student's life continues beyond their years of schooling. Above, the clouds begin to clear from the sky as three doves are taking flight, symbolic of the Holy Trinity. The abundance of foliage that frames the composition assists a concept of growth and progression. This idealized scene is meant to signify that the path on which they traverse is sound, and in this way Beckman equips students with the tools necessary for a fulfilled future.

Bronze mural located in the school entrance.

Attending Beckman Catholic School was an experience that taught me how to think and how to learn, which has helped me whether I was doing music, finance, or anything in between. It is also a welcoming place where I came in as a new kid from out of town as a freshman and left with a lot of what turned out to be lifelong friends. The lessons I learned at Beckman stayed with me as I continued my education and throughout my career at William Blair. Beckman means the world to me.

Beckman Catholic would like to thank all businesses currently involved in our Corporate Matching Gift Program. All matching contributions are deposited into the general operating budget and help support various programs such as the expansion of course offerings, faith formation and technology advancements. If you or your company would like to find out how to get involved in this program, please contact Kristie Thier, Fundraising Coordinator at Beckman Catholic by calling 563-875-7188 or emailing kthier@beckman.pvt.k12.ia.us.

THE HERITAGE SOCIETY

The mission of the Heritage Society is to assist in keeping Catholic education affordable at Beckman Catholic through donor-based planned gifts. The best way to pass on the Catholic faith to young people is through a Catholic school education. Planned giving will help guarantee the future of our valued Catholic school system.

STO

Donors to the School Tuition Organization "Our Faith, Our Children, Our Future", provide tuition assistance for Beckman Catholic students.

Donors must specifically request Beckman Catholic on the application. Donors are eligible for an Iowa State tax credit. Grant awards are determined through a standardized financial aid application process. Award eligibility and administration process is handled confidentially through a 3rd party vendor.

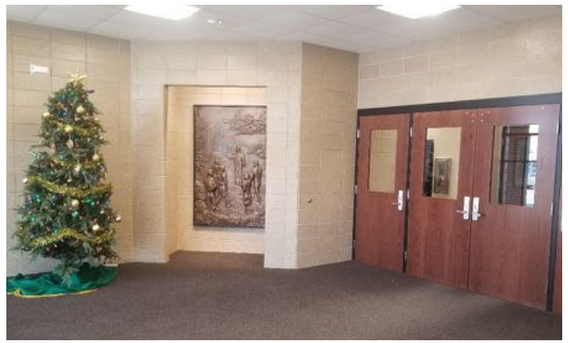
✞ Denotes posthumous donor
✻ Denotes BCHS staff donor



Your generous donations to our Blazing Forward Capital Campaign allowed us to create a new front entry and office space (opposite page), a new chapel, and the addition of the Jasper Center which houses our multi-purpose gymnasium, weight room, wrestling room, and additional locker rooms and restrooms.
